

# Compatibility Chart

**Disclaimer:** this chart is only about type of services passed between particular systems and TetraPack Core.  
For example, location services could work locally inside a system but not handled by TetraPack.

	Group calls	Simplex individual calls	Duplex individual calls	Phone calls	Text messaging	Location	Packet data
<a href="#">Motorola CompactTE TRA</a>	+	+	+	+	+	+	+
<a href="#">Motorola Dimetra</a>	+	+	+	+	+	+	+
<a href="#">Hytera RoIP</a>	+	+	+	-	+	+	-
<a href="#">Rohill TetraNode</a>	+	+	+	+	+	+	-

Legend:

- "+" - supported
- "-" - unsupported
- " " - unknown state
